Celebrate Your Student This School Year!

With the 2025-2026 school year underway, it's the perfect time to celebrate your student's hard work! Bring in their quarterly report card, and for every "A" in core subjects such as math, science, social studies, language arts, history, and english we'll match \$1 per A, up to \$5 per report card. Students who maintain straight A's all year will also receive a \$10 bonus and be entered into a drawing for a chance to win an additional \$50.

To kick off the new school year, we're adding an extra reward: open a new youth account by October 31st and we'll match the initial \$25 deposit! This year, help your student build confidence both in the classroom and in their savings!

HAVE YOU RECEIVED A CALL FROM OUR FRAUD DEPARTMENT?

If our fraud department notices unusual activity on your account, you may receive a call or text to verify the transaction. This quick step helps stop potential fraud before it affects your finances and ensures you remain in control of your account. Our fraud monitoring team works around the clock, because your protection and security are always our top priority.

Please note that the number they call from cannot receive return calls. If you need to follow up, you can reach them directly at the following numbers: **Credit Card Fraud: 1-800-322-8472 or Debit Card Fraud: 1-800-622-1361 / 1-800-327-8622.**

If a suspicious transaction on your debit card is confirmed to be fraud and a new card is required, be sure to contact one of our branches so we can quickly order a replacement for you. We take these steps to keep your money secure and to give you peace of mind that your funds are protected.

FROM FINANCES TO FUNNEL CAKES

Another amazing fair season is in the books! One of our favorite parts of the summer is spending time at the county fairs and connecting with so many wonderful people in the community. This year, we had booths set up at the Fayette County and Washington County fairs, made our big debut at the Westmoreland County Fair, and continued our support as a sponsor of the Greene County Fair.

At each event, we had a blast giving away prizes like Adam Sandler tickets, \$100 VISA gift cards, Kennywood tickets, Carnegie Museum season passes, and more! Visitors tried their luck at games ranging from choosing the right key to unlock our safe to picking envelopes filled with surprise prizes. And of course, everyone who stopped by went home with free Frick swag!

In addition to our booths, we continued our partnership with the Washington Fair's 4H Auction. The effort and dedication of our young 4H members were on full display as they proudly presented and sold the animals they had worked so hard to raise throughout the year.

Bringing financial wellness to the fair in a fun, approachable way is something we're truly grateful for, and it's proof that personal finance doesn't have to be boring. From exciting giveaways to meaningful conversations, our time at the fairs reminded us of what makes our community so special: you!

We can't wait to see you again next year!
